

LIP Mini-School on Charged Particle Therapy Applications

Saturday, 4 December 2021

Minibeams (15:00 - 15:45)

time	[id] title	presenter
15:00	[13] A computational model for radiotherapy studies with protons and carbon ion mini-beams	ESPINHA, Claudia
15:20	[12] Investigating Water Radiolysis with Monte Carlo algorithms for FLASH Delivery of Proton Mini- and Micro-Beams	MOLINA, Miguel
15:40	[14] Dosimetry evaluation to advance charged particle minibeam radiotherapy	GIORGI, Maria
