

Knowledge Transfer and Innovation (KTI) @ IGFAE

A short review

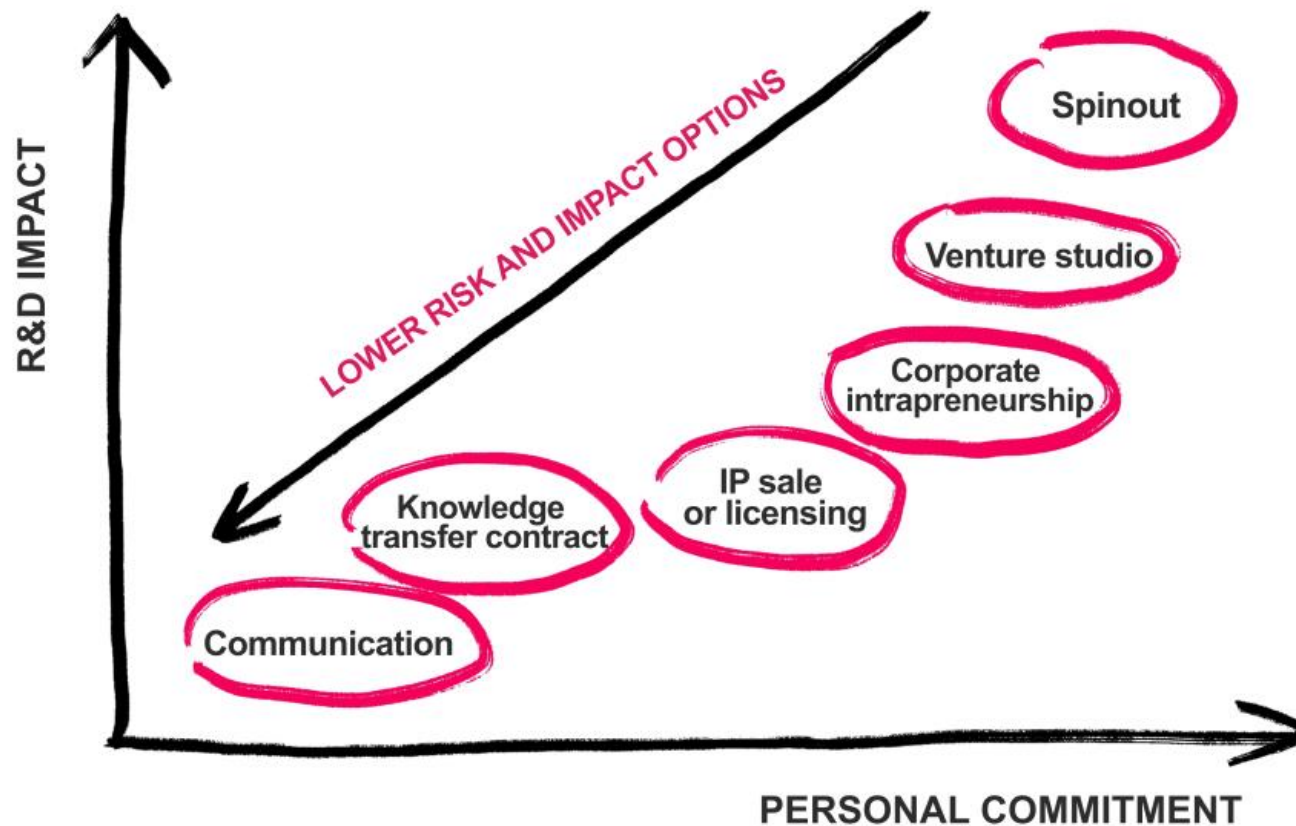

Pablo Cabanelas
IGFAE

14/04/2023

Mission: help scientific talent to translate their knowledge and lab discoveries into value

KTI is about impact, not income!!!!

Technology Transfer Options For **Scientists**

Much more than spin-offs!!

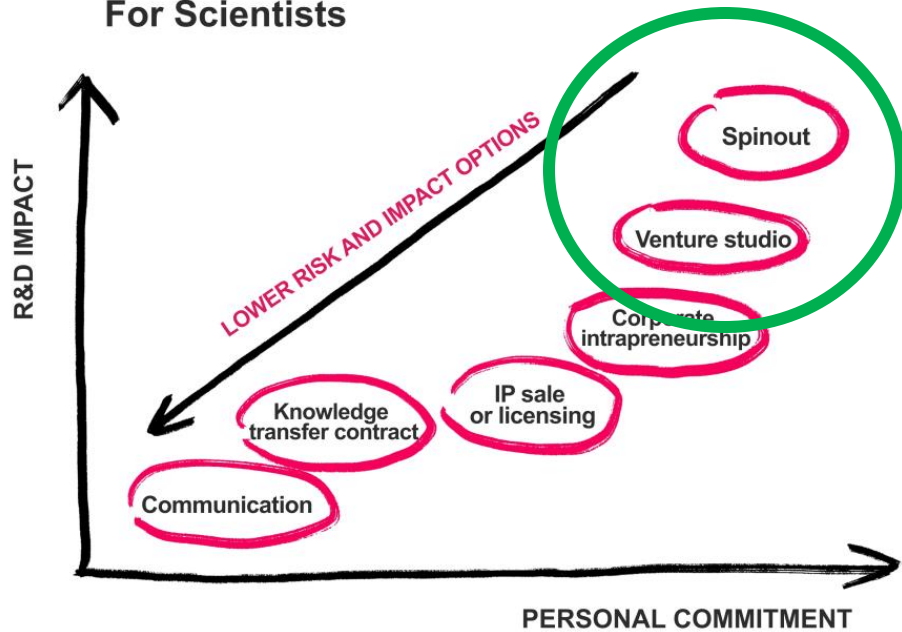

Spin-offs

Spin-offs and Venture capitals and accelerators

Start-up accelerators

Technology Transfer Options For Scientists
