

CompAS - Computational Atomic Structure group meeting

Thursday, 27 June 2024

Tribute to Charlotte Froese Fischer - 1.4.14 (09:00 - 12:30)

| time | [id] title | presenter |
|-------|---|---------------------------------------|
| 09:00 | [16] From State College and Nashville to Brussels: an inspiring journey thanks to Charlotte | AND MICHEL GODEFROID, Alan Hibbert |
| 09:25 | [17] Five decades of forbidden and unexpected lines | BRAGE, Tomas |
| 09:50 | [18] A layer-by-layer journey from Nashville to the edges of the Periodic Table | BIERÓN, Jacek |
| 10:15 | Coffee Break | |
| 10:45 | [19] Charlotte as a role model and mentor for coding | JÖNSSON, Per |
| 11:10 | [20] An inspiring figure motivating women to become scientists | SI, Ran |
| 11:35 | [21] A computational language for modeling atomic behavior | FRITZSCHE, Stephan |
| 12:00 | [22] Charlotte, her family, and her academic family | FISHER, Carolyn |
