

LIP Advisory Committee 2024

Report of Contributions

Contribution ID: 1

Type: **not specified**

LHC and Phenomenology

Friday, 19 April 2024 14:30 (35 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 2

Type: **not specified**

Detectors for Particle and Nuclear Physics

Friday, 19 April 2024 15:05 (25 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 3

Type: **not specified**

Reserved for Advisory Committee

Friday, 19 April 2024 15:30 (10 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 4

Type: **not specified**

Dark Matter and Neutrino Physics

Friday, 19 April 2024 15:40 (25 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 5

Type: **not specified**

Scientific Computing

Friday, 19 April 2024 16:45 (20 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 6

Type: **not specified**

Reserved for Advisory Committee

Friday, 19 April 2024 17:05 (10 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 7

Type: **not specified**

Research Infrastructures and Competence Centers

Friday, 19 April 2024 17:15 (40 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 8

Type: **not specified**

Health and Biomedical Applications

Friday, 19 April 2024 17:55 (15 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 9

Type: **not specified**

Reserved for Advisory Committee

Friday, 19 April 2024 18:10 (10 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: **10**

Type: **not specified**

Science and Society

Saturday, 20 April 2024 10:15 (20 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 11

Type: **not specified**

Structure of Matter

Saturday, 20 April 2024 09:25 (25 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 12

Type: **not specified**

Reserved for Advisory Committee

Saturday, 20 April 2024 09:50 (10 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 13

Type: **not specified**

Cosmic Rays

Saturday, 20 April 2024 09:00 (25 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 14

Type: **not specified**

Space Applications

Saturday, 20 April 2024 10:00 (15 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 15

Type: **not specified**

Reserved for Advisory Committee

Saturday, 20 April 2024 10:35 (10 minutes)

Session Classification: Discussion with research groups (Auditorium)

Contribution ID: 22

Type: **not specified**

Science and society

Friday, 19 April 2024 16:05 (10 minutes)

Session Classification: Discussion with research groups (Auditorium)
