

LIP Internship Program 2026

Final workshop

Helena Santos, Sofia Andringa
for the many people involved

LABORATÓRIO DE INSTRUMENTAÇÃO
E FÍSICA EXPERIMENTAL DE PARTÍCULAS

Thank you to everyone involved in making this program a success:

- To students, for your hard work and excellent research.
- To supervisors, for your guidance and support.
- To LIP colleagues (ECO, IT, directorate, secretariat) for your invaluable contributions.
- And to Francisco Neves, Raul Sarmento, Alfred Stadler, and Elmar Biernat, for helping with the organisation of this year's introductory lectures and final workshop.

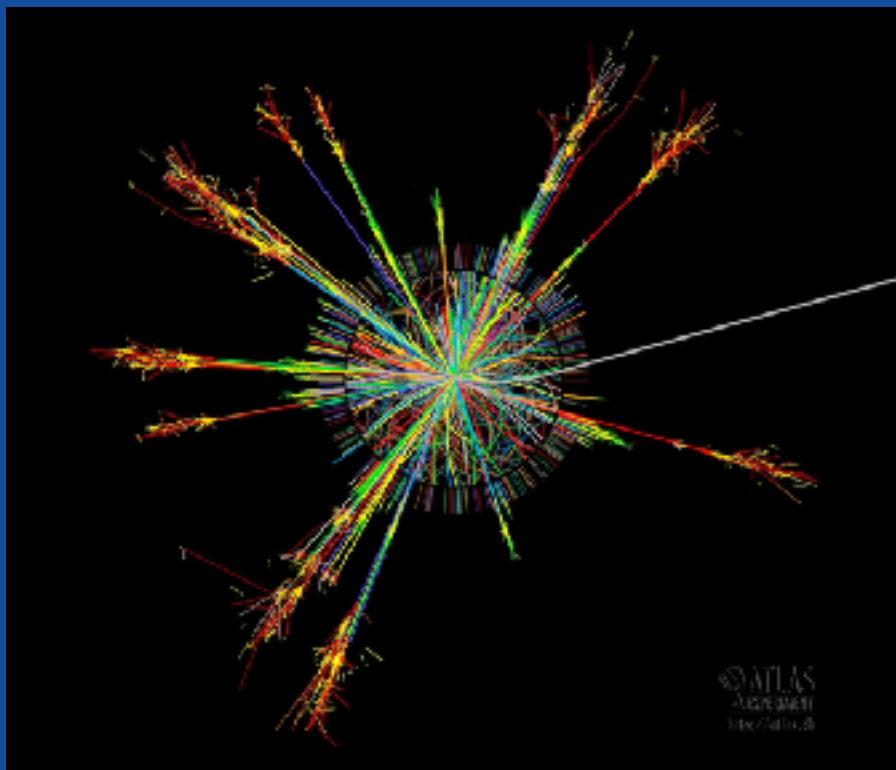

The paper - instructions

- Login (or register) to your account in <https://www.overleaf.com/>
- Open the link with the template in <https://www.overleaf.com/3423586854vmyqggymctsbn#77ead6>
- Click on the "Menu" tab on the top left corner and select "Copy Project"
- Open your copy of the template and start editing
- Share with colleague/supervisor by selecting "Share" in upper banner (select "turn on link sharing" and send link for reading or editing)
