

Session Program

6-10 Jul 2026

**LIP Summer Internships - Lectures and
Tutorials Week**

***Introduction to particle physics and
detectors***

Monday 6 July

09:30

Introduction to particle physics and detectors

Session

09:30–10:00 **Welcome to LIP and instructions**

Speaker

Sofia Andringa

10:00–10:30 **Detectors**

Speaker

Alberto Blanco

10:30–11:00 **Coffee break**

11:00–11:30 **Introduction to particle physics**

Speaker

Patricia Conde Muíño

11:30
