

Fourth Lisbon mini-school on Particle and Astroparticle Physics

Monday, 11 February 2019

The adventure of Particle Physics (15:00 - 16:30)

time	[id] title	presenter
15:00	[52] Probing the Standard Model and Beyond at the LHC	CASTRO, Nuno
15:30	[53] Unraveling the most perfect liquid at the LHC	MILHANO, Guilherme
16:00	[55] Understanding the Universe through neutrinos and astroparticles	MANEIRA, Jose

The adventure of Particle Physics (17:00 - 18:00)

time	[id] title	presenter
17:00	[56] Dark Matter: from the galaxies to the deep mines	LINDOTE, Alexandre
17:30	[57] Space radiation environment from the Earth to Jupiter	Dr GONÇALVES, Patricia
