## Peruvian support for SGSO sites in Peru

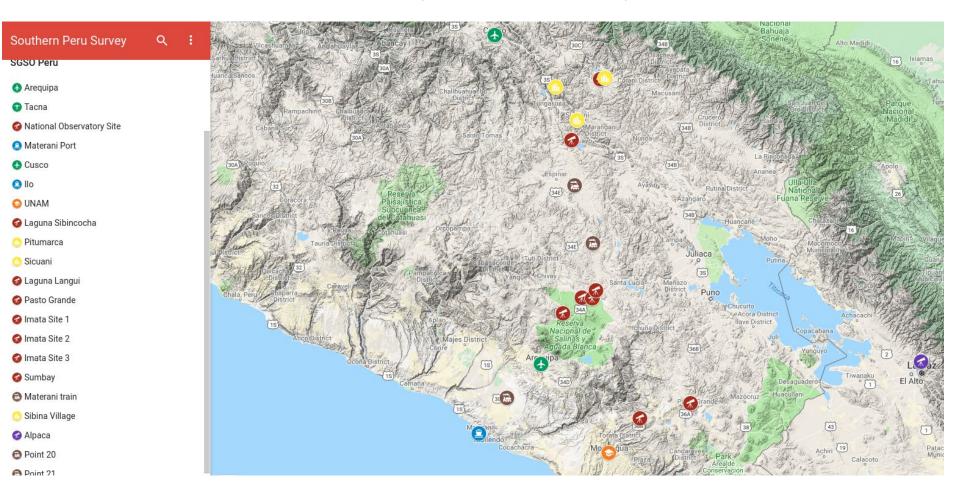

# Jose Bellido The University of Adelaide

#### In Perú, there is support from:

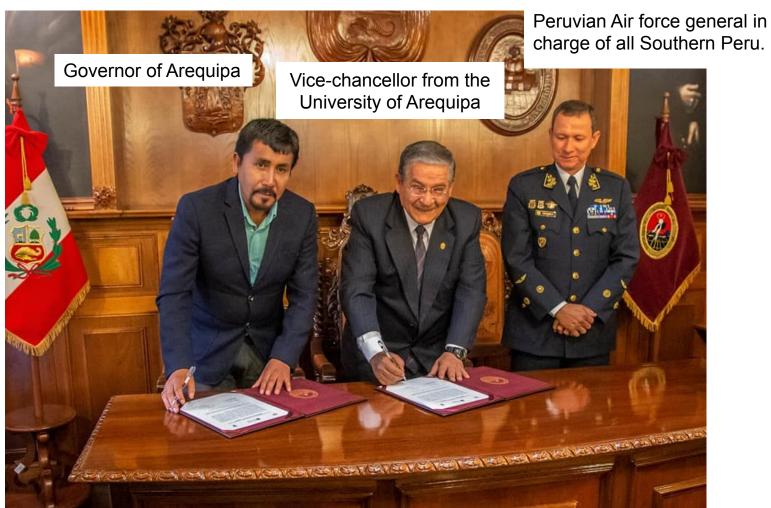

- Local governments and local communities
- Universities in Arequipa, Moquegua, Cusco and Lima
- Peruvian national authorities
  - CONCYTEC (National Council for Science and Technology)
  - Congress (Commission for Science and Technology)
  - Peruvian Foreign Affairs Ministry (Office for Science and Technology)
  - CONIDA (Peruvian Space Agency)
- Mining companies: Mining companies pay taxes to regional governments, part of these taxes go to local Universities and it can only be spent in scientific research.

#### Possible sites for SGSO in Perú

(4 sites were visited in March 2019)

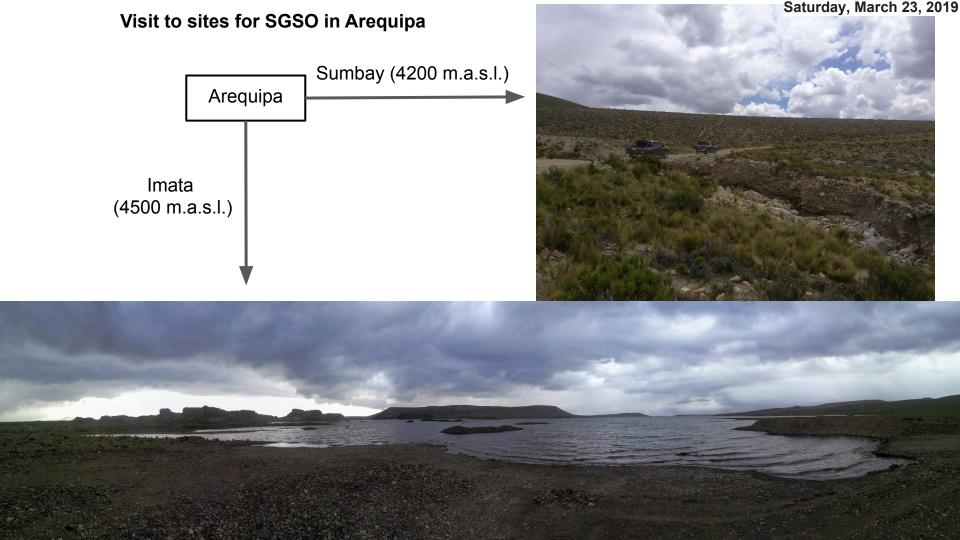

## The Authorities in Arequipa signed an invitation to SGSO

# Views in our drive from Arequipa to Cusco (Pitumarca)

30k from Sibinacocha lake there is this nice touristic place. We spent the night here

Cusco

Sibinacocha Lake (4980 m.a.s.l.)

Our visit to Sibinacocha Lake was a big day for the local community

Cusco

# The communities of the district of Pitumarca wish that SGSO be installed in Laguna Sibincacocha and they offered a warm welcome Monday, March 25, 2019

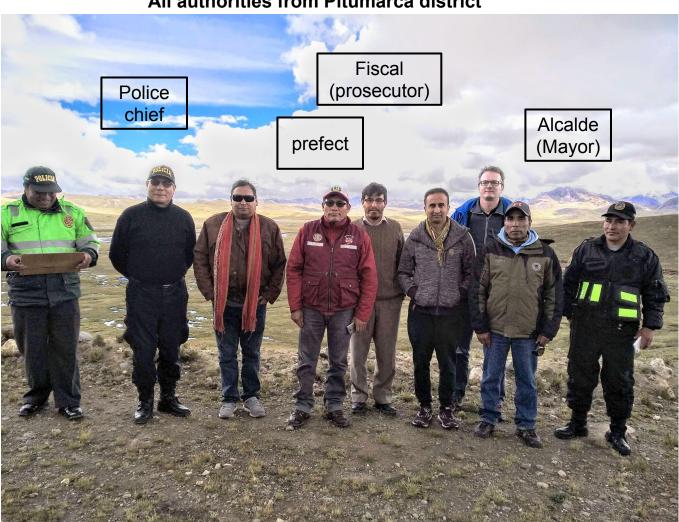

Samridha Kunwar surveying Sibinacocha lake

#### All authorities from Pitumarca district

# Tuesday, March 25, 2019 Presentations at CONCYTEC

Tuesday, March 25, 2019

Top level Peruvian authorities assisted to this meeting

Tuesday, March 25, 2019

**Political authorities** 

Tuesday, March 25, 2019

**Representatives from the main Peruvian Universities** 

Chilligua site (~4300 m.a.s.l)

Meeting at the University of Moquegua with the vice-Chancellor for research

Wednesday, March 26, 2019

### **Visits to Institutions in Lima**

Friday, March 28, 2019

Peruvian Space Agency

Una misión internacional de científicos, encabezada por dos peruanos, visitó tres lugares en Cusco y Arequipa, donde evalúa instalar un observatorio que estudiará el universo y sus fenómenos a través de los rayos gamma.
