Single boson production overview (W, Z, γ) at the LHC

Sunday 5 September 2021 17:20 (20 minutes)

Single boson production overview (W, Z, γ) at the LHC

Primary author: PELLICIONI, Mario (Istituto Nazionale di Fisica Nucleare)

Presenter: PELLICIONI, Mario (Istituto Nazionale di Fisica Nucleare)

Session Classification: Standard model physics at the TeV scale

Track Classification: Standard model physics at the TeV scale
