Polarization Measurement of the SDG Beamline of BSRF Based on Multilayer in VUV and EUV Range (25' + 5')

Friday 18 October 2019 09:45 (30 minutes)

Primary author: Dr JI, Bin (School of Physics Science and Engineering, Tongji University)

Co-authors: Prof. ZHU, Jingtao (School of Physics Science and Engineering, Tongji University); CUI, Mingqi (Institute of High Energy, CAS, Beijing 100049, China)

Presenter: Prof. ZHU, Jingtao (School of Physics Science and Engineering, Tongji University)

Session Classification: Beam Monochromatic and Applications - Chair: Leifeng Cao
