2nd International Workshop on Soft X-ray Single-order Diffraction Grating Technology and Application

Thursday, 17 October 2019

Beam Monochromatic and Applications - Chair: Leifeng Cao - AD1, 1st floor (16:00 - 17:00)

time	[id] title	presenter
16:00	[19] Proposals of soft X-Ray instruments for Chinese future space missions (25'+5')	Prof. WEI, Fei
16:30	[20] Quantum Free Electron Lasers: Current situations and prospects (25'+5')	Prof. CAO, Leifeng
