

2nd International Workshop on Soft X-ray Single-order Diffraction Grating Technology and Application

Thursday, October 17, 2019

Beam Monochromatic and Applications - Chair: Leifeng Cao - AD1, 1st floor (4:00 PM - 5:00 PM)

time	[id] title	presenter
4:00 PM	[19] Proposals of soft X-Ray instruments for Chinese future space missions (25'+5')	Prof. WEI, Fei
4:30 PM	[20] Quantum Free Electron Lasers: Current situations and prospects (25'+5')	Prof. CAO, Leifeng
