

**Session Program**

Oct 16 - 20, 2019

**2nd International Workshop on Soft X-ray  
Single-order Diffraction Grating Technology  
and Application**

***Beam Monochromatic and Applications -  
Chair: Leifeng Cao***

University of Coimbra, Physics Department

## Fri, October 18

9:15 AM

### Beam Monochromatic and Applications - Chair: Leifeng Cao

**Session** | **Location:** Physics Department, , Conference Room, 3rd floor

9:15 - 9:45 AM

#### Reflectance measurements and analysis of EUV multilayers on the SDG beamline of BSRF (25'+5')

**Speaker**

Mingqi Cui

9:45 - 10:15 AM

#### Polarization Measurement of the SDG Beamline of BSRF Based on Multilayer in VUV and EUV Range (25'+5')

**Speaker**

Prof. Jingtao Zhu

10:15 AM
