

10th IDPASC Summer School

Closing Remarks

6 – 17 September 2021 – Nazaré, Portugal/Online

A great edition!

- A very wide range of topical subjects from particle physics, astrophysics and cosmology
- 25 hours of lectures
- About 16 hours of tutorials

A great edition!

- A very wide range of topical subjects from particle physics, astrophysics and cosmology
- 25 hours of lectures
- About 16 hours of tutorials

People involved:

- 15 lecturers
- >10 people in organisation and support

THANK YOU!!

And the motive of the school: you!

Henrique Carvalho

Matteo Piani

Hope you enjoyed it. See you around!!
