

Double Beta Decay: the road to normal hierarchy sensitivity

Monday, 6 June 2022

Overview Session I - Auditorium C1.03, Edificio II, 1st floor (09:10 - 10:30)

time	[id] title	presenter
09:10	[2] Neutrino Physics Overview	TÓRTOLA, Mariam
09:50	[3] Calculations of the nuclear matrix elements for double-beta decay: an overview of the present status	CORAGGIO, Luigi
