NOTES

- **Agenda:** <https://indico.lip.pt/event/903/>
- **Introduction:**
 - Participants introduced themselves and their current BigData interests and ongoing work.
- **Discussion**
 - We will perform a survey of current expertises, interests, etc on BigData at LIP to guide future workshops, tutorials, and produce a knowledge base of experts to facilitate collaborations and knowledge transfer.
 - Monthly meetings will be held, in a timeslot to decide via Doodle. The continuation of a short journal club as part of these meetings was seen favourably.
 - A high demand for internal tutorials and workshops was manifested by many participants.

NEXT MEETING

To be decided via Doodle.
