LIP summer internships 2021
Mid-term activities planning

- Goal: to promote interactions amongst the internship students throughout the summer, so they get to know each other, socialize, share their work and experiences

- The Students Council was contacted: many thanks to Ana Sofia Inácio and Guilherme Pereira for taking part in the organization

Mid-term activities 2021
Considerations and proposed format

- Mid-term activities must happen remotely
- Most internships will not be presencial too; students will carry already a heavy load of Zoom work-meetings
- Intercalar gatherings should be informal, making use of alternative and appellative virtual tools

- Format: weekly sessions (*Friday chats*) with two parts, **students talk competition** followed by **virtual social event**

Mid-term activities 2021
Students talk competition

"You find your neighbour in the elevator - explain him what you are working on this summer!"

- Each group gives a 5' talk (in english, free format)
- Students rate each talk based on its <u>originality</u> and <u>clarity</u> alone
- Scores (scale 1-10) tracked via keepthescore.co
- Unblinding of the average scores at the final workshop
- Prizes (symbolic) for the top three group talks

Mid-term activities 2021
Social events

- Based on online tools for group chats (with camera) and games

- **Gather.town**: RPG that opens camera chats, good for first contact (but with fee ~100€)
- **Skribble**: pictionary game
- **Mozilla Hubs**: platform for chat, games and videos
- **Gartic Phone**: online telephone game (drawing and guessing)

Mid-term activities 2021
Tentative schedule

- *Friday chats*, 14h - 16h30

Date	Student talks (1h15)	Beer break (15')	Social event (1h)
July 23	13 groups		gather.town
July 30	13 groups		skribbl
August 6	13 groups		mozilla hubs?
August 13	14 groups		gartic phone

Mid-term activities 2021
Communication

- Tutorials week opening presentation: one slide announcing the content and dates

- Indico page to organize all the info and materials

- Final workshop closing remarks: one slide announcing the final results and prizes
